Editorial

Tune in with us to station WHS and view the panorama of education and activities unfold before your eyes. So that you may visualize and remember your activities at Wayne we, the Junior Class, have published this yearbook, the Wayne Echo, as a record of the major events of the school year 1951-52. We hope that in future years it will bring back pleasant memories of the shared activities and friendships of those important years, your school years.

To the Seniors go our very best wishes and the hope that each will be a success, in his own way.

—Elaine Shook.

Dedication

It gives the Junior Class of 1951-52 great pleasure to be able to dedicate this edition of "The Wayne Echo" to our most sincere friend, Superintendent E. Lehr Bailey.

His unfailing helpfulness has been of inestimable value in making our school term a success. He has faithfully served us for two years and we hope that he will return for many more.

It was largely through him that our present school bond issue passed.

Throughout the year they have been our constant and faithful guides and we feel that because of their willingness to be always by our side "The Wayne Echo" 1951-52 will be remembered as a worthy tribute paid the school by the Junior Class.

Senior Class History

In September of 1948 thirty-six students assembled at Wayne High as Freshmen, to face four of the most interesting and profitable years of their lives. They elected their class officers as follows: President, Dick Arthur; Vice President, John Swartz; Secretary, Wanda Shaw; Treasurer, Jane Horn; Student Council Member, Betty Bowman; and Reporter, Jacqueline Blodgett. As Freshmen we were represented in football, basketball, baseball, cheerleading and many other school activities.

In September of the following year, after a brief vacation, thirty-three students returned to good old Wayne High, to begin their Sophomore year under the direction of Mr. Wolfe, their home room teacher. Class officers were chosen as follows: President, Jacqueline Blodgett; Vice President, Nevelyn Heileman; Secretary, Wanda Shaw; Treasurer, John Swartz; Student Council Member, Evelyn Heileman; and Reporter, Betty Bowman. As Sophomores we were again active in many activities.

Again after summer vacation the Juniors returned, with a total of thirty-one students, to face a busy year, with money to make, a class play to present, an annual to put out and (being hosts at a Junior and Senior Banquet). The Juniors were very grateful for the advice and assistance that their adviser, Mr. Hupp, gave them. I'm sure that we had a good time working together to make it a profitable year. Gary McCormick was elected President; Bob Riff, Vice President; Jacqueline Blodgett, Secretary; John Swartz, Treasurer; Wanda Shaw, Student Council Member; and Donna Jean Gross, Reporter. The Juniors were again represented in many school activities, with four of the starting five on the basketball team being Juniors.

After a brief vacation the dignified Seniors of 1952 returned to Wayne High with a total enrollment of twenty-nine. This being the busiest year of all, the Seniors have been working hard and co-operatively to make it a successful one under the welcome advice of our advisor, Mr. Hemphill. The Seniors have chosen their officers as follows: President, Bob Riff; Vice President, Darrell Kent; Secretary, Betty Bowman; Treasurer, Jacqueline Blodgett; Student Council Member, Wanda Shay; and Class Reporter, Vera Jean Cosserd.

dent, Darrell Kent; Secretary, Betty Bowman; Treasurer, Jacqueline Blodgett; Student Council Member, Wanda Shaw; and Class Reporter, Vera Jean Gossard.

The Senior Class again has a large representation in school activities. It seems there is never a dull day for the Seniors, with invitations to order, pictures, caps and gowns, class play, planning of the trip and, of course, preparing to meet expenses on that trip. I am sure every Senior will agree that it is a lot of work, but after the trip to New York and Washington has been completed we will all look back and admit it was well worth while. I hope this History of the Class of 1952 will live in the memories of each one of us, and the students who have known and shared these memories with us.

Class Prophecy

One bright summer day as I was leaving Lima Memorial Hospital, where I am the director of nurses, I chanced to meet one of my old classmates. His name, as you know him, is Gary McCormick.

We recognized each other at once and stopped for a moment to chat.

I soon learned that Gary lives in California and is a very successful electrical engineer. By the way, he is still an eligible bachelor.

Our conversation soon drifted back to our high school days and our former classmates. As it was my day off we decided to look up some of them.

We started our visits from Waynesfield, Ohio where our Alma Mater is located. We soon discovered that a new wing has been added to our school so we stopped for a moment to inspect it.

To our surprise we found that the twins, Evelyn and Nevelyn Heileman, are teaching the two second grade classes.

We learned from the twins the whereabouts of other classmates.

They informed us of the marriage of Gene Barnes and Mary Ellen Hunter. Gene's father has retired from the farm and Gene is doing quite well for himself and family.

Another prosperous farmer is Bob Riff, who is ever enlarging his herd of Brown Swiss cattle.

We also learned that Vera Jean Gossard is married to Duane Copeland. They live very happily in their own home with their five lovely children.

After we left our Alma Mater and continued through the town we saw a sign announcing "Kaufman's Hardware." We discovered that Russell is proving to be a strong competitor of his former employers.

Russell informed us that he has not yet asked Shirley the important question, but intends to any day now.

Russell turned on one of his very modern technicolor television sets and we saw another one of our classmates, Darrell Kent. Darrell is proving to be a great singer. Perry Como is thinking of retiring and turning his contract over to Darrell.

After Darrell's hour program was over we were presented with the news. We found that a noted rancher, Dick Arthur, has struck another oil well on his Texas ranch. Dick has decided to use part of his money to pay the national debt and lower his income tax.

We also saw a style review as we watched television and were surprised to find that the new Paris fashions are being designed by Jackie Blodgett. Russell told us that Wanda Shaw and Donna Jean Gross are also successful career women. They are doing rather well in a large New York City department store.

As it was getting late in the afternoon we decided to visit with a few of our friends by photophone, a new invention that allows you to talk to a person and see him at the same time.

We talked to Dolores Young, now Painter, by photophone and learned that Wilbur is now operating a jet service station and is teaching his red-haired son the trade.

From Dolores we learned that Ila McKinney is living a contented life with her husband, Bill Wolfe, and their two children.

As Gary picked up the Photophone directory we saw on the cover an advertisement of Miller's Fishing Camp in Canada.

Talking to Jim by photophone we learned that John Swartz had been in Canada during a vacation from his attorney's office.

Jim also related to us Richard Shield's success as a physician. He owes his experience to the play entitled, "The Mystery of Mouldy Manor," in which he played the part of a mad man, Dr. Carver.

Our conversation with Jim was ended quite abruptly as our time limit was up and Gary was out of dimes.

Later, as we passed the old Hi-Speed station on the corner we saw a new 1962 Buick sedan sitting at the gasoline pumps. We were surprised to see Shirley Miller stepping out of the car. We stopped to talk to her for a moment.

We found that she is happily married to a successful doctor. We asked her how Ruth Ann McDuffee and Norma Emrick are making out.

She told us that Norma is fast gaining recognition as a laboratory technician in Columbus and Ruth Ann is very well satisfied with her job as English professor at Ohio Northern University. She owes her knowledge of English to our former English teacher and class adviser, Mr. Eugene Hemphill.

That concluded our visits for now as I had to return to my duties.

We sped back to Lima in Gary's jet convertible.

We bade adieu and returned to our respective occupations feeling quite happy at having refreshed our memories of our friends and classmates.

- Gilbert Byer—Keep doing those jobs around school. You'll grow to great heights some day.
- Lois Ann Coates—Keep trying. There are other boys besides those in Waynesfield.
- Shirley Coolidge—Keep that smile on your face. It makes other people cheerful, too.
- Willard Cummings—Keep singing. Your father will retire some day.
- Donald Dawson—Wake up, Donald! You can't sleep all the time.
- Junior Dulebohn—Take it easy. That Chevrolet only goes so fast.
- Hazel Ferree—Keep trying. You may get a "Gary" yet.
- Phyllis Focht—With that new typewriter you'll become a professional yet.
- Ann Fullerton—Keep up the wit. Everyone seems to like it.
- Ralph Gratz—Keep farming. You may be able to find a farmerette some day.
- Jim Gray—Keep driving that Ford truck. Someday you may drive a Cadillac.
- Vaude Guthrie—Dick may graduate this year but he'll wait on you.
- Charles Hastings—Don't drive so fast. That car isn't made of rubber.

- Richard Lhamon—With your intelligence, go to college. Barbara may join you, too.
- Marilyn Lones—Voice your opinion. We like to hear you talk, too.
- Janet Newland—Forget your shyness and live.
- Louise Maurer—Take it easy on those giggles.
 They may be contagious.
- Bob Pence—Stay away from the Army. We want you here at home.
- Doyle Price—Stop leading the girls such a merry chase.
- Gary Price—Quit breaking girls' hearts. They have feelings, too.
- Patricia Resh—Keep typing. You may be secretary to the President some day.
- Elaine Shook—Keep up the editorship. It will lead you to great heights.
- **Gerald Spencer**—Keep teasing the girls. They like it.
- Fred Taylor—Keep up that athletic ability. Girls like year 'round athletes.
